Please let us know if you suffer from a food allergy or adhere to any other dietary regime. Whilst every care is taken, we cannot guarantee any products are free from genetically modified (GM) ingredients, nuts, nut derivatives or small bones in fish products. PINKTANK café bar favours using free range eggs and locally-sourced ingredients whenever they are available. Coffees and teas are Fair Trade.

PinkTank is a new and exciting place to eat and drink in West Bromwich, bringing you great food and great service at a reasonable price. We hope that you'll enjoy our Spring menu and are committed to reflecting your needs in the development of your café and welcome your comments and feedback. PinkTank also provides a range of catering services for The Public including conferences and meetings, weddings and parties. To find out more about planning an event at The Public or discussing any offsite catering needs, please speak to a member of our team who will be happy to answer your questions.
